

ECO STORE

Introducing **ECO STORE**

SINGLE COLOUR

WOOD GRAIN FINISHES

TWO COLOURS

CABINET PLANTER

The ECO STORE storage system is designed to offer a great amount of flexibility with a full range of finishes available, improving capabilities for customization. These units can be configured in a range of different widths and heights including color combinations. Precision manufacturing: high quality components allow a homogeneous coordination with the other furnishings.

SELECTED PROJECTS

The office is an expression of a company's identity, and its design influences the mindset and behaviour of employees.

A green touch has a great impact on our sense of well-being and has a positive influence.
