

GOULBURN *Collection*

The Goulburn system has a timeless simplicity with one universal leg style that supports many table designs.

One universal aluminium leg style that supports many table designs.

Goulburn is a versatile table system that helps people collaborate, communicate and exchange ideas.

They can be static tables of any size or they can be self-contained modules that move and adapt easily to fit the space or task at hand.

The Flip Top version is fast to set up and store, changing the office space when it requires quickly additional desks or extra space.
